Equal Opportunity Employer/Program

Under the Americans with Disabilities Act, City of Phoenix must make a reasonable accommodation to allow a person with disability to take part in a program, service, or activity. For example, this means that if necessary, City of Phoenix must provide sign language interpreters for people who are deaf, a wheelchair accessible location or enlarged print materials. It also means that the City of Phoenix will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. Please contact: Kim Thibault at 602-861-0208 ext. 1047 or our TTY Relay/602-870-3118 as early as possible to coordinate needed arrangements.
